

FREELANCE DESIGN ASSISTANT

Location: Remote

Contract Type: Freelance, part-time, flexible start date

Salary: Dependent on experience

Benefits: Flexible hours, remote working, collaborative entrepreneurial team

ABOUT

We are a small, creative and agile design studio specialising in branding and web design for a diverse range of clients. With a growing portfolio and big ambitions, we're looking for a talented Design Assistant to help us showcase our work, support our creative marketing and bring the Klioh Studio brand to life.

ROLE

We're seeking a creative, organised and detail-oriented Freelance Design Assistant to support the ongoing marketing and creative output of Klioh Studio.

Working closely with our creative team and Social Media Manager, you'll be responsible for creating beautifully considered social media assets, brand and website showcases, and other marketing materials that reflect our visual identity and creative standards.

This role is ideal for someone with a strong eye for design, a passion for visual storytelling and an interest in branding and digital experiences. You'll be comfortable working independently, translating creative briefs into engaging visual content and bringing fresh ideas to a growing design studio.

RESPONSIBILITIES

Social Media & Content Design

- Design engaging visual content for Klioh's social media channels, including Instagram carousels, stories, graphics and other branded assets
- Work closely with our Social Media Manager to translate content ideas and briefs into visually compelling designs
- Create and edit short-form video content, animations and reels where required
- Contribute creative ideas and visual inspiration, drawing from branding, design and wider industry trends
- Ensure all content is consistent with Klioh's visual identity and creative direction

Brand & Website Showcases

- Create visually engaging brand and website showcases that highlight the studio's creative work
- Develop high-quality mockups, layouts, animations and presentations to showcase completed client projects
- Assist with preparing visual assets for website portfolio updates and case studies
- Work with the creative team to gather project assets and translate them into compelling visual stories
- Ensure all project showcases reflect KlioH's creative standards and attention to detail

Creative & Marketing Support

- Assist with the design of marketing materials, presentations, newsletters and other studio communications
 - Support the preparation of creative assets for campaigns, launches and announcements
 - Help maintain organised design files, templates and brand assets
 - Provide general creative assistance to the team as required
-

WHAT WE'RE LOOKING FOR

- A strong eye for typography, layout, composition and visual storytelling
 - Confident using design tools such as Adobe Creative Suite, Figma, Canva
 - Experience creating engaging brand and website showcases, particularly for social media
 - An understanding of social media formats and how to translate design work into compelling visual content
 - An interest in motion design, animation and video editing would be a bonus
 - Highly organised, proactive and comfortable managing multiple creative tasks
 - Excellent attention to detail and the ability to maintain a consistent visual standard
 - An interest in branding, web design, interiors, fashion and the wider creative industry
 - Comfortable working remotely and independently while collaborating with a small creative team
 - Previous experience in a design studio or creative environment is desirable, but not essential
-

WHY JOIN US

- **Flexibility:** Work remotely and on your own schedule
- **Creativity:** Work across a diverse range of exciting branding and website projects
- **Collaboration:** Work alongside a passionate, entrepreneurial and creative team
- **Development:** Build your portfolio, develop your skills and contribute fresh creative ideas
- **Impact:** Make a meaningful contribution to the visual presence of a growing, values-led design studio

APPLY

To apply, please email contact@kliohstudio.com with the following:

- A max 250–300 word introduction outlining your motivation for applying
- A link to your portfolio
- Your proposed hourly rate
- An example of a brand or website showcase you've created that you feel best demonstrates your creative skills. We're particularly interested in seeing how you present creative work through thoughtful layouts, mockups, motion or visual storytelling.

Application Deadline: 31st October 2026

Start Date: ASAP
